

Delta Pi Epsilon Listserv

A new listserv for DPE members is now available for subscribing. If you want one or more of your e-mail addresses added, send an e-mail to the DPE national office—dpe@ipa.net—listing the address(es) you wish to add. You will receive an e-mail in return when you have been added. To be removed from the listserv, send a request to the DPE national office.

Office Manager Donna Brunt will monitor the listserv. Her responsibilities will be to add and remove members from the listserv and to monitor the appropriateness of messages that are sent to the listserv.

To send a message to the listserv, following these instructions:

Send an e-mail . . .

To: dpe@ipa.net

Subject: DPE Listserv Message

In the message box, state the desired message to be sent to all subscribers.
